

CHAIRMAN

Message

We realize that education is fundamental for complete development of individual and also of society as a whole. As a premier teaching institute, we endeavor to harness this interest potential through meeting the growing needs of higher education. Over a short span of years, Veena Vadini Teachers Training Institute has become one of the leading institutions of the country, imparting high quality education. It offers professional qualification and a healthy learning environment to explore new heights, nurture creativity and fulfil career goals.

The Institute with its motto to excel in everything is fully geared to meet the varied needs of the society by constantly upgrading the curriculum, faculty and the infrastructure. This institute constantly metamorphoses the face of teacher's education. It also places strong emphasis on the ability of student to integrate knowledge across different disciplines to develop skills of adaptation and sensitivity to care human values. It provides environment to high academic ambience to mold young minds and make them capable of welcoming the challenge of future.

Since education has been proved international service in the globalization era quality is essential. Thus institute is committed generating 'Best practices' to galvanize the institutional quality. To make the learner conscious is the responsibility of the committed institute. We firmly believe that democratic atmosphere will pave way for the freedom in every aspect of the institutional functioning which is the need of the hour.
